FROM: GACarver, Jr.

SUBJECT:

REMARKS:

Attached for your personal use and information is one copy of Working Group C's "collection program" which was sent to Dr. Kissinger on 17 November. Also appended are copies of the notes by which this document was transmitted to the White House and to its other external recipients. Together with the 10 November Working Group C study, of which you already have a copy, the attached constitutes a single overall Indochina package.
